Re: Alexa Stein Recommendation

To Whom it May Concern:

I am pleased to recommend Alexa Stein as a candidate to teach in your school. I have known Alexa for seven years as she first worked as a substitute teacher at Temple Shalom, and then as a classroom teacher at Temple Beth Chai. Alexa has taught her own class for the past year and her students adore her.

Alexa is a bright young lady, who is always punctual and prepared to work. She always dresses and acts in a professional manner, sweet kind nature and has a positive attitude toward her work. Alexa truly enjoys interacting with students and communicating with the parents. She has a wonderful rapport with her colleges as well.

I believe Alexa would make a wonderful teacher and I would definitely recommend utilizing her wherever needed.

If you need any additional information, please contact me at 631-724-5807.

Sincerely,

Ilana Sherer
